

YOU'RE INVITED!

Invention Fair 2018

Friday, March 9, 10 AM - 12 PM at Japhet School

Visit student inventors as they present their innovative solutions to everyday problems!

TIME	WHO	WHERE	ACTIVITY
10:15 - 10:45 AM	Preschoolers	Preschool Classroom	Gain insight into how early childhood students view the world. Children will explain their invention made out of accumulated recyclables.
10:30 - 11 AM	Kindergartners	Kindergarten Classroom	
11:15 - 11:45 AM	Primary Class 1 st & 2 nd grades	Primary Classroom	Witness the invention process: all students brainstormed problems, created a solution, and made a model. Older students conducted market research and estimated production costs. 
10:30 - 11:15 AM	Middle Class 3 rd & 4 th grades	Middle Classroom	
11 AM - 11:45 AM	Intermediate Class 5 th & 6 th grades	Intermediate Class	
10 - 10:45 AM	Upper Class 7 th & 8 th grades	Gym	

Students may depart for the day after Invention Fair concludes at 12 PM.
(Parents who choose this option should check out with the classroom teacher.)
Students who stay will have a casual afternoon.

Students and visiting children must be with their teacher or
with an adult guest at all times. Thank you!
