## Japhet School Hosts Golf Outing FORE the Kids!

Madison Heights, Michigan - Japhet School, the award-winning school and nonprofit organization in Madison Heights, is hosting a golf outing on Monday, June 24, at Western Golf & Country Club in Redford, Michigan. Shotgun start for the scramble is 11 AM.

Registration includes an 18-hole scramble, box lunch, a strolling dinner with awards reception, and a silent auction. Single golfers may register for \$150 and foursomes are \$500.

Auction packages include a signed Detroit Pistons jersey, Detroit Tigers tickets, a two-night stay and airfare to a NASCAR race, and much more.

To register, golfers should go to [www.japhetschool.org](http://www.japhetschool.org) and click on "Fore the Kids Golf Outing." There also is a dinner-only option for non-golfers who would like to join the event for dinner and the auction.

"I host friends at the golf outing as a way to say 'thank you' to those who have given me a special kindness," says a Japhet trustee who attends the outing every year. "It's a really nice event, and I'm proud to invite others to join me. I make sure that my guests meet Japhet staff and the students who are present. It cultivates connections and serves as an important reminder of why we are all here today."

All proceeds benefit school programs – such as technology upgrades and new textbooks with interactive online components – and support daily operations.

### About Japhet School:

Founded in 1973, Japhet School is an independent school, serving children the metropolitan Detroit area in preschool through eighth grade. Its mission is to nurture and prepare each child for life by integrating character education with a strong academic program. The school provides small classes of fewer than 20 students in each, which enables teachers to challenge students with academic material that is appropriate for their intellectual readiness, regardless of age or grade. Integrated with strong academics is Japhet School's national award-winning character education curriculum, which builds a peaceful community within the school and creates leaders with integrity. Japhet is a National School of Character: it was the first school in Michigan -- and the first independent school in the country -- to receive this award.
