CLAWSON, MI - Award-winning Japhet School on Crooks Road in Clawson is launching a new toddler program called “Play and Learn” on four consecutive Wednesdays starting January 25th through February 15th from 10:30 to 11:30 am. Each session is designed to encourage a love for learning in toddlers and includes Music on January 25th, Puppetry and Storytelling on February 1st, Tactile and Sensory on February 8th, and Movement on February 15th.

Each session is \$10 and offers an hour of interactive and playful activities that will engage little ones in an enriching hour with mom, dad, or other adult caregiver. Japhet’s teachers will inspire a little one’s love of learning through play. Toddlers will be able to choose among many activities for jumping, creating, listening, singing, and much more. The activities will differ each week and toddlers and parents will have something to take home with them after class.

About Japhet School

Founded in 1973, Japhet School is an independent school, serving children in the metropolitan Detroit area in preschool through eighth grade. Its mission is to nurture and prepare each child for life by integrating character education with a strong academic program. The school provides small classes of fewer than 18 students in each, which enables teachers to challenge students with academic material that is appropriate for their intellectual readiness, regardless of age or grade. Integrated with strong academics is Japhet School's national award-winning character education curriculum, which builds a peaceful community within the school and creates leaders with integrity. Japhet is a National School of Character: it was the first school in Michigan and the first independent school in the country to receive this award. Japhet School is located in Clawson at the corner of Crooks and Normandy roads. To learn more about Japhet, please visit www.japhetschool.org.
