

## **Japhet School Summer Reading!**

Name: \_\_\_\_\_

My Summer Goal: \_\_\_\_\_ Books

## Read for fun this summer! You will not only entertain yourself, but you'll practice skills that will help prepare you for your next school year! Challenge yourself, and don't forget to answer the questions on the next page!

Record the titles and authors of the books you read, number of pages, and tell how you liked each! Return this form to the library by the first Monday after school begins in September. If you read at least 10 books (or 1,200 pages) you will receive recognition.
