Ages: 1st through 6th grade

Who: Japhet students and their friends

When: Sept 17, 24; Oct 1, 8, 15, 22, 29; Nov 5

Cost: \$160

This is a partnership program, supervised and led by Firefly Forest teachers. Class meets in Tenhave Woods, the large park southeast of Japhet School, just east of Royal Oak High School. Children need rain boots and a rain coat/parka to participate -- classes take place rain or shine! Firefly explains the class as follows: "Each Tuesday afternoon, we'll spend our time exploring the natural world through science experiments, nature observation activities, art projects, and more. The Firefly teacher will skillfully guide students through the natural world and build a community between students so they all feel connected and supported. All Japhet School students who enroll will be met by a Firefly teacher and will walk as a group to Tenhave Woods where our program takes place. Students will walk back to Japhet with a Firefly teacher and be ready for pickup at 5 PM. This program is open to the public, so there may be families who are not enrolled at Japhet School who are involved. Families who are not Japhet School students will meet directly at Tenhave Woods."

Minimum 4 students; maximum 12. This program is a public program that Japhet School students would join.

I allow my child to participate in the Firefly Forest School after-school program. I understand this is a public program, and my child will be walked to, supervised by, and walked back by Firefly Forest staff. I understand my child's Child Information Form, and emergency medications, if applicable, would be given to Firefly Forest staff during the class. I will provide an after-school snack for my child.
