Japhet's chapter of Kids for Peace is one of more than 100 chapters around the world! Their motto is **Uplifting Our World Through Love and Action**. The group promotes peace in a variety of ways: We learn about other cultures, create peace through the arts, participate in local and global service, care for our earth, and practice being peace-builders or "peace ambassadors." We practice specific strategies that can strengthen our conflict resolution/mediation skills.

Kids For Peace helps guide our activities for Family Service Night in December, and they have a role in decision-making that will steer additional activities we do together as a whole school community. **Participants bring their own after-school snack. Friends and family members are invited to join!**

"If we are to have real peace in this world, then we will need to begin with the children." ~ Gandhi
