

April 10, 2020

Dear Parents and Friends of Japhet School,

I hope you have enjoyed this week with your children that provided a reprieve from school-related responsibilities. While none of us is able to have a traditional vacation, I hope you spent time enjoying the outdoors and nurturing family connections in creative ways. Remember that Monday, as the day after Easter, is one last vacation day. Our teachers look forward to resuming Distance Learning on Tuesday, April 14. Our [Distance Learning Code of Conduct](#) will be in place; please review it with your child.

Teachers have identified **additional classroom resource materials** that students need, which are still at school, and we ask that you please make arrangements to retrieve them:

**Intermediate Class: Tuesday, April 14, 5-6 PM**

**Middle Class: Thursday, April 16, 5-6 PM**

**Primary Class: Wednesday, April 15, 5-6 PM; also: parents, please bring completed work to be checked**

Pickup procedure: Enter parking lot through the main drive. Enter the circle drive from the parking lot and pull up past the front doors. Students' resource materials will be individually bagged and tagged, clearly labeled with their names. One person from your car will exit and pick up the student's bag located inside the foyer and return to your car. I will be present to give a wave and say hello! Exit through the drive by the traffic light.

As always, please contact me anytime by email with your questions or concerns. Thank you for your continued commitment and dedication to Japhet School and its mission.

Most sincerely,

Kerri G. Vizona  
Head of School
